Subject Region 10 EPA/Portland Harbor Superfund Site Request for
SDMS Documents for Brix, Univar and Mt. Hood Chemical.

<<SFX3D6D.pdf>>

Hi Kristine,

Thanks for speaking to me today. As I explained, my attorney, Leslie Schenck, represents Univar (Van Waters & Rogers) and Brix Maritime (dba Foss Maritime) at the Portland Harbor Site and we are interested in getting copies of the SDMS Documents listed for these two entities. I've attached an image of Univar's and Brix's lists from your website. We would also like copies of all the documents listed for Mt. Hood Chemical Corporation. They are: 1254190, 1244978, 1185821, 1185819, 1188200 and 1188544. Please copy all the documents requested and burn them to a CD. You may send it to my attention

We also had one question: we noticed that another entity (not one of our clients) had a document relating to Brix Maritime on its list: Schnitzer Investment Corp.'s 1/9/02 "letter clarifying issues raised in a fax regarding Brix Maritime Co." #1187219. I found that same letter listed on Brix's SDMS Document list, but can you verify that any documents referencing Brix or Univar that may be listed on another company's list (such as with Schnitzer) will also be on Univar's and Brix's list? In other words, we do not have to review every company's SDSM document lists to see all documents referencing Brix and Univar?

Thanks again and please let me know if you need any more information. I understand you will be in training next week.
